German Placement

You need to improve your German skills by 2 levels!

Email from the language center on 15. July

The process will be explained in the email and links will be provided

Take the online placement test

- The result is a first estimate of your abilities
- Changing courses will still be possible within the first few days
- Enter your grades of the different tests and the recommendation in our survey (link will be provided in mail) and submit your entry by 31. July

Upload your Certificates

If you already have a certificate from Goethe Institute or similar upload it. Link will be provided in the email from the language center
